

**March 16, 2020**

**9:00 a.m.**

In response to the bulletin from Manitoba Government, schools and supervisors are asked to review activity of students and employees to ensure that if any have traveled outside of Canada at any time in the past two weeks, that they quarantine in residence for the full 14 days.

Going forward, all students and staff returning from travel outside of Canada are asked to stay home for the 14 day period (for students this will mean the next week and then they will be off on the mandated three week suspension of classes).

**March 16, 2020**

**8:30 a.m.**

We recognize there are a lot of questions parents/guardians have about what is going to happen with the suspension of all classes. Our WSD Pandemic Planning Committee and Senior Administration is working on the many moving parts of this situation, and we will provide more information today, as soon as possible. Thank you for your patience.

Parents who are able to keep children home this week are encouraged to do so. Please ensure you inform the school of the absence so we know your child is safely at home with you (this will not be required for the three week suspension of classes).
