

Driver Education information

The Manitoba High School Driver Education Program > *Enrolling*

You must be at least 15 1/2 years of age to qualify for a learner's permit under this program. Beginning **May 9, 2011**, you can sign up for Driver Education courses that start in the summer* and fall of this year in two easy steps:

1. View a list of available courses at:

http://www.mpi.mb.ca/english/dr_ed/enrolling.html

2. **Go to your nearest Autopac agent to get set up as a customer, register and pay for your course** (this step is no longer done at your local school).

To enrol, your parent or guardian must sign a Parental Consent Form if he or she is not going to the Autopac agent with you. You can download the form on-line or pick one up at your nearest Autopac agent.

**Please note that students residing in rural Manitoba who have enrolled for summer courses in Winnipeg or Brandon will be required to complete their in-car training in Winnipeg or Brandon with instructors assigned to their course. In-car lessons must be completed by October 1, 2011.*
